Having been a part of the folk community since birth, Sarah enjoys instigating awesomeness as a dancer, singer, and organizer. She was raised in a musical home in Takoma Park, MD and often travelled with her parents to various dance events throughout the Northeast as a child. Her involvement with CDSS began at the tender age of five, when her parents helped run the first Buffalo Gap Family Week. Since then, she has attended numerous CDSS summer programs, both as a camper and on staff, and served a stint as a member of the organization's Governing Board. She has also served on the Pinewoods Camp Inc. Board of Directors and worked on the Pinewoods crew.
